What do I need to do now?

Step 1: Activate your OASIS

OASIS (Online Access to Student Information Services) is Curtin’s student portal.

To activate your OASIS account, visit oasis.curtin.edu.au and click Activate your account (located beneath the Login button). You will need your student ID (from your offer email) to activate your account.

Step 2: Start using EnrolNow!

If you’re a new student, when you log into OASIS you will see EnrolNow! straight away. If you are currently enrolled in another Curtin course, you will find the EnrolNow! sub-tab on your welcome tab.

Make sure you begin the EnrolNow! steps as soon as possible - it contains heaps of useful and important information!

EnrolNow! helps you:

- Accept your offer
- Sort out your eCAF (government assistance) for Australian students, or update your Australian address for International students
- Enrol in Units
- Register for classes and create your timetable
